Chapter 1 by Hacker Hack

On a Sunday morning like most others Olivia woke up on a bed. Quickly sitting she remembered the scenes last night when a man in a black jacket with black matted hair had killed her parents. She looked around the room had plain white walls a very plain bed and a toilet with a sink. She try'd to get out of the room but it was locked! So Olivia paced around the room not knowing what to do she try'd kicking the doors but she already knew it was no use because the doors looked like steel.
